Daily with Sunday.

Congress of March 3, 1872.

FRIDAY, APRIL 15, 1910.

THE CENSUS ARMY IS MOVING, way to Washington, Within a

every business, for manifest reagrowth of industries, the advances of agriculture and the barometer of na gauged. We shall not know where we

employment in figures most used in has been observed in some census reother two ages. Here, again, guess workers, work comes in, since the average man is more apt to say "ten" or "fifteen" HOORAY FOR MRS. ZIMMERMAN! to say "eleven" or sixteen."

If we cannot overcome these fallings, we can certainly give the main pleasure some day in the not distant facts without error and can see to future. We know that we should like most accurately described in the cen- gave old Dr. Frederick Deibler, of the ernment, but the prospects are much

DELIVERED THE GOODS.

In a dispatch to the Woman's National Daily that the speaker was "slangy but forceful." Dr. Patton can take care of his own parts of speech and needs no defender; but as he is one of the properest and most ascetic of speakers, it is a little queer that he should be attacked, and particularly by anybody in Chicago, for having been "slangy" in any of his preaching or exhortatory work.

Besides, everything that appears to be "slangy" is not slangy. "Deliver the goods" is as old as the Old Testament, and has probably been employed in the store of the speakers and cut down the abnormal tariff."

When she said this, Mrs. Zimmerman in rising to justify Mrs. Zimmerman in rising to justify Mrs. Zimmerman in rising to justify Mrs. Zimmerman in rising to a point of order, which she did in dency toward imperialistic ostentation and monarchical trappings in the execution and monarchical trappings in the execution of the human race dency toward imperialistic ostentation and monarchical trappings in the execution of the human race where no universal rules can appear to be senting. The reason is quite of other things. The reason is quite of
